2010 IEEE International Conference on Automation and Logistics

August 16 - 20, 2010, Hong Kong / Macau, China

Sponsored by IEEE Robotics and Automation Society, The Chinese University of Hong Kong, City University of Hong Kong, University of Macau, and Shandong University

Technically co-sponsored by ASME Dynamics, Systems and Control Division; Chinese Association of Automation; Chinese Mechanical Engineering Society, China Logistics Technology Association; China Federation of Logistics and Purchasing; Japan Society of Mechanical Engineers; Society of Instrument and Control Engineers; Robotics Society of Japan; and the IEEE Hong Kong Joint RAS and CS Chapter.

Call for Papers ^{Ei indexed}

The 2010 IEEE International Conference on Automation and Logistics will be held from August 16 to 20, 2010, with conference from August 16 to 18 in Hong Kong and post-conference workshops from August 19 to 20 in Macau, China. The theme of the IEEE ICAL conference is “**The Smart Fusion of Automation and Logistics**”, reflecting the fast growing interests in research, development and applications in the dynamic and exciting areas of advanced intelligent automation and logistics. IEEE ICAL 2010 promises to be a great conference, bringing together electrical, mechanical, industrial, systems, logistics, and computer engineers, and offering a rich technical program emphasizing effective use of the synergy in the areas of automation and logistics. IEEE ICAL 2010 conference invites high quality original research papers in all related areas of automation, logistics, and their applications.

Contributed Papers: Original papers are invited in all related areas of automation and logistics. Full papers must be submitted in PDF format meeting the IEEE PDF Requirements for Creating PDF Documents for the IEEE Xplore. All accepted papers will be published by IEEE Press, included in IEEE Xplore, & indexed by EI.

Post-Conference Workshops: Post-conference workshops will be organized in Macau in collaboration with the University of Macau. Proposals for organizing workshops on new and emerging topics should be submitted to Workshop Chairs.

Important Dates:

- April 30, 2010** Submission of full papers & organized session proposals
- April 30, 2010** Submission of the conference Macau workshop proposals
- June 30, 2010** Notification of paper, session & workshop acceptance
- July 15, 2010** Submission of final IEEE Xplore compliant PDF papers
