IEEE International Conference on
Robotics and Biomimetics
December 14 -17, 2008

Call for Papers Ei Indexed

The IEEE ROBIO 2008 conference will take place from December 14 to 17, 2008 at the Imperial Queen's Park Hotel in Bangkok, Thailand. The theme of Robio 2008 is "Information Technology Enabled Robotics and Biomimetics", reflecting the ever growing interests in research, development and applications in the dynamic and exciting areas of robotics and biomimetics. Bangkok is an exciting and fast growing city with business, entertainment and shopping areas. ROBIO 2008 promises to be a great event for researchers and scholars in robotics and biomimetics areas, with attractive technical and social programs. The ROBIO 2008 conference invites high quality original research and development papers in all areas related to robotics, biomimetics and related topics.

Contributed Papers: Original papers are solicited in all related areas of robotics and biomimetics. Full papers must be submitted in PDF format prepared strictly following the IEEE PDF Requirements for Creating PDF Documents for the IEEE Xplore®. For detailed format information, please visit the conference website. All accepted papers will be indexed by EI and included in IEEE Xplore®.

Tutorials & Workshops: Proposals for tutorials and workshops addressing new topics in robotics and biomimetics are invited for submission to the T/W chair.

Tour Packages: Tourist packages to Bangkok attractions will be available.

Important Dates:

Jul. 21, 2008 Submission of original PDF full papers and video clips

Jul. 21, 2008 Submission of proposals for tutorials and workshops

Oct. 1, 2008 Notification of paper, video clip and T/W acceptance

Oct. 20, 2008 Submission of final IEEE PDF papers and video clips

Detailed up-to-date information will be appeared on the ROBIO conference web site:
